Results from Drug Screen Test Performed by Sender:

Urine Specime	pH	Temperature	Seal code, Specimen A	Specimen B
Place and Date			Collection officer's signature	_____
Tel			Collection officer's name	

**Donor's Stament of Informed Consent**

I confirm that I have provided a biological specimen of my own to the specimen collector. I have observed the specimen being placed and sealed in the specimen bottles and I confirm that the information on this form and on the specimen labels is correct. I hereby give permission for a minimum of two sealed specimen containers to be sent to the laboratory and I consent that they be tested for evidence of drug use and for tests to be carried out to confirm the validity of the sample. Furthermore, I understand that the results will be communicated confidentially to the employer or a designated representative.

I consent to the above.
